North Shore Company voted into top ten small businesses in BC.

A local home cleaning service has been voted amongst the top ten finalists in The Small Business BC Successful You Awards.

It was announced today that AspenClean, Vancouver's first and largest all natural cleaning company based in West Vancouver, achieved the highest number of votes from the public in the category of 'Best Company' to make it through to the next round of the award.

AspenClean, who pride themselves on helping their local area keep a healthy home, use their own BC developed 100% natural, organic and vegan products which have also received the ECOCERT® stamp of approval. They offer home and corporate cleaning services using natural cleaning methods that are eco-friendly, biodegradable and non-toxic and serve customers throughout the lower mainland.

The company will now compete with nine other provincial finalists to make it to the final five, with the winner announced on 28th February at the BC Successful You Awards ceremony which will take place at the Pan Pacific Hotel, Downtown Vancouver.
